This novel concept has gained international and national acclaim and Govt. of India is implementing the concept in all the states of India.

5. **Awarded Hon FRCOG** in 2019, by Royal College of London, UK for exemplary work done for woman's health.
6. Appointed as World Health Organization (WHO) Consultant for 1 yr from 17th October 2018, to ensure systematic support for four WHO- projects at Safdarjung Hospital Delhi
7. Developed Pocket book for Management of first trimester of pregnancy for WHO -SEARO in 2021.
8. Developed "Pocket Book for Second Trimester of Pregnancy for Healthcare Workers" for WHO SEAR (Process of publication)
9. Visiting Professor at All India Institute of Medical Sciences, Rishikesh, Uttarakhand
10. Examiner for DNB, MS and MBBS of various, Post graduate Institutes Indian Universities and prestigious institute as All India Institute of Medical Sciences Delhi, AIIMS Rishikesh, KGMU Lucknow, PG IMR Rohtak, Delhi University Kolkata university etc
11. Chairperson District Advisory Committee (DAC) for PC & PNDT Act New Delhi Zone from Oct 2016-2019
12. Technical expert and resource person of Ministry of Health & family Welfare, Govt of India (MOHFW, GOI) in Obstetrics and Gynecology for addressing various national programs and policies. Contributed in more than 26 Guidelines related to maternal and child health of MOHFW Especially on abortion, IUCD, Standards of female sterilization, Adolescent Health Resource Book (RKS)
13. Member of Technical Advisory Group (TAG) of Dept of Biotechnology India (DBT) and BT & Indian Council of Medical Research (ICMR)
14. Co chairperson and reviewer for the national project proposals on, maternal health submitted to Indian Council of Medical Research (ICMR)
15. Technical expert for screening and reviewing Letters of Intent (LOIs) received by Dept. of Biotechnology (DBT) in the category "Problems associated with Women's Health"
16. Empanelled as an Advisor for Ob Gynae, subject in Union Public Service Commission. (UPSC) for selection of Medical Officers, Teaching and Non teaching Faculty.
17. Member Interview Board as an expert for the post of Professor, Associate Professor and Asst. Professor for AIIMS Delhi, Delhi Govt hospitals, Employees State Insurance Hospitals, University of Delhi, University of Rohtak, King George Medical University (KGMU) Lucknow, SGPGI Lucknow
18. Published 70 papers in indexed journals and 20 chapters in books List attached.
19. Published two important books on Critical Care in Obstetrics (2017) and a Practical Manual in Obstetrics & Gynaecology (2002) Also published FOGSI focus on Surgical skills in Ob-Gyn More than 60 publications in International and national journals
20. Reviewer for international journals as British Journal of Obstetrics & Gynecology (BJOG), European journal of Obstetrics and Gynecology and reproductive Biology (EJOGRB), PLOS -One, International Journal of Diabetes in Developing Countries (JDDC). Indian Journal of Medical research (IJMR) Indian Journal of Public health (IJPH). Indian Journal of radiology (IJRI)
21. Undertook many **research projects** with National & International Organizations as World Health Organization (WHO), Liverpool School of Tropical Medicine (LSTM), Indian council of Medical Research (ICMR), Population Services International (PSI), Department of Biotechnology India (DBT), Transitional Health Sciences and Technology Institute (THTSI). At present working on Four projects in the hospital.
22. Guide to postgraduates for Research projects in Obstetrics and Gynaecology (>30) and Co guide to post graduates of other dept as Radiodiagnosis, Anatomy, physiology, burns and plastic, paediatrics etc
23. Vice President FOGSI 2018. Organized many Conferences, CMEs, Workshops, quiz, walks and Public forum all over the country.
24. President Association of obstetrics and Gynecology 2015-16. The society was rewarded the best FOGSI Society in the tenure
25. Lead assessor for Manyata, a Federation of Obstetrics & Gynaecology Societies of India (FOGSI) initiative or quality stamp for the hospitals to ensure safe deliveries by skilled staff.

26. Besides Orations awarded, have been faculty for conferences, CMEs for key note addresses, talks and panel discussion in conferences nation wide.
27. Conducted CMEs and workshops on Critical Care in Obstetrics, Adolescent Health, Gestosis, Preterm labour, Urinary Tract Infections, Hypertensive Disorders in pregnancy in FOGSI's Societies of India nationally.
28. Organized Camps for Adolescent Health in schools, Cancer detection, walk for save the Girl Child and walk for Thalassemia awareness.
29. Took part in many Television and radio programs on maternal health on Delhi Doordarshan, DD News, Lok Sabha TV, Kisan TV, Tata Sky and All India Radio

Professional Experience

Presently Professor, Consultant and Head of the Department of Obstetrics & Gynaecology at Amrita Institute Of Medical Sciences Faridabad, New Delhi and have a clinical experience of more than 38 years.

My area of interest are critical care obstetrics, high risk pregnancy and adolescent health. As a consultant one handles a huge patient load in every OPD, never compromising on quality. I also started a multispecialty clinic for Adolescent Health (Shahn clinic) and Premarital counselling clinic (Neev) at my previous institute

I can perform both gynaecological and obstetric surgeries precisely with equal diligence; has acquired excellence in performing vaginal surgeries especially removal of enlarged uteri of upto 16 weeks size through the vaginal orifice and also mastered excellence in performing surgeries for placenta accrete spectrum disorders including retrograde hysterectomies.

Leadership skills

The various advancement which took place in the Department during my tenure

- Established one of the first dedicated Critical Care Unit in our country for obstetric patients at Safdarjung hospital New Delhi, which is managed entirely by obstetricians in co-ordination with critical care physicians.
- Established a Skill Lab for basic Obstetric Care at Safdarjung Hospital, where about 14 batches are trained annually from all across the country.
- The Department was recognized as a center of excellence in high risk obstetrics and awarded the coveted 2year Fellowship Course, by National Board, Government of India in "High Risk Pregnancy"
- The Department was awarded the 6 month certificate course in 'Critical Care Obstetrics' by the Indian College of Obstetricians and Gynaecologists
- A dedicated Maternal and Neonatal ICU (MNICU) was established along with Department of Pediatrics where immediate Kangaroo Care is provided for even the unstable low birth babies. This novel concept has gained international and national acclaim and Govt. of India is implementing the concept in all the states of India.
- Established One Stop Center for Sexual assault of women (OSC) at Safdarjung Hospital New Delhi and was Chairman, Committee against Sexual Harassment at Workplace of Safdarjung Hospital since 6th Feb 2014 till march 2017)
- Started Orientation Training Program for Interns on adolescent reproductive and sexual Health.
- Organized many 'Training of trainers', workshops and CMEs on critical care in obstetrics, maternal and perinatal mortality surveillance, preterm labour, Hypertensive Disorders in Pregnancy

Academic Achievements

I am a keen academician and have a great dedication and fervor for teaching the Undergraduate and Postgraduate students. My devoted students are well established all over the world, winning laurels and awards. The highlights of the illustrious academic career include

- Professor for Guru Govind Singh Indraprastha University(GGSIP), New Delhi for last 12 years, since May 2009.
- Recognized as Post Graduate Guide for Master's degree in Obst & Gynae by University of Delhi (1997) and GGSIP University (2005) Thirty-six research thesis for post graduate students have been supervised over the last 15 years.
- Guide for Fellowship programme of High risk pregnancy of National board of examination (FNB), a post MD fellowship.
- Fellow (Academic) of Indian College of Obstetrician & Gynaecologists (FICOG), academic wing of FOGSI.
- Fellow of Indian College of Maternal & Child Health (FIMCH)
- Empanelled as Advisor in the subject of Obst and Gynae at Union Public Services Commoission (UPSC)
- Co chairperson and reviewer for the national project proposals on, maternal health submitted to Indian Council of Medical Research (ICMR)
- Technical expert for screening and reviewing Letters of Intent (LOIs) received by Dept. of Biotechnology (DBT) in the category "Problems associated with Women's Health"
- Member Interview Board as an expert for the post of Professor, Associate Professor and Asst. Professor for AIIMS, Delhi Govt. hospitals, King Gerge Medical University (KGMU) Lucknow, University of Rohtak, Employees State Insurance Hospitals etc
- Examiner for DNB, MS and MBBS of various Indian Universities and prestigious institute as All India Institute of Medical Sciences Delhi
- Member Academic Council of Vardhman Mahavir Medical College (VMMC)
- Academic counselor for PGDMCH Programme for course (s) MME-102 MMEL -102.of Indira Gandhi National Open University (IGNOU)

Presentations at International Level

- Hospital-based Birth Defect Surveillance in India: From project to supporting national programme at International Conference of Birth Defects Bogota Columbia (2017)
- Stillbirth registry in India operational framework at Regional Network Meeting to review progress on newborn-birth defects database, Jakarta, Indonesia (2016)
- Second Trimester Abortion Surgical methods at inter country orientation workshop on "Safe Abortion" New Delhi (2014)
- Vulvoscopy an integral part of Gynecological examination at FIGO conference (2014)
- Poster Presentation "Birth defects and Stillbirths: A major public health problem in a lower middle-income country" at International Conference of Birth Defects Bogota Columbia
- Adolescent Friendly Health clinics in private sector a FOGSI initiative at Regional network meeting for scaling up adolescent health at Bangkok Thailand (2011)

Collaboration with World Health Organization (WHO)

I have been involved closely with WHO for the last 19 years due to immense interest in public health issues and was appointed as **Honorary WHO Consultant** since 17th October 2018, to ensure systematic support for four WHO-supported projects. Aim was to develop effective linkages among study partners, advocacy for infrastructure and other support required for the projects with the administration and establish efficient connectivity between hospital and outreach clinic.

Projects conducted:

- Developed Pocket book "Management of Second Trimester abortion" in Oct 2023
- Immediate Kangaroo Mother Care (iKMC) for preterm babies in Collaboration with Department of Pediatrics. This project is a part of a multi-centric international project of WHO and has led to establishment of MNCU units all over the country. 2015
- Linear Growth Study for achieving optimal growth and development among infants and children in low resource settings, supported by WHO with SAS (Society of Applied Sciences) 2016

- WHO Stillbirth Registry at major hospitals of Delhi since 2015-22
- WHO Delhi Birth Defect registry involving seven major hospitals of Delhi 2015-22
- Preterm birth- Inter-Institutional Program on Maternal and Infant Science- Transitional approach to study pre-term Birth (THSTI) 2014
- Preterm birth, Xenomics and Proteomic studies in cord blood for newborns 2014
- Understanding the distinct development and functional properties of the neonatal immune system and their clinical consequences in the neonatal period. till Dec 2019
- Development of Educational tool for Premarital Counselling (2015) funded by WHO
- One of the founder member and School Coordinator of WHO pilot project SHAHN: Safdarjung Hospital Adolescent Health Care Network adolescent friendly health services in a clinic based urban center (I/C of the School Health Network of the Project) (2002 onwards)
- Nominated as an expert for Inter country Consultation on scaling up kangaroo mother care in SEARO countries (17th-19th Dec 2018 New Delhi)
- Expert Group member for review and development of the WHO Pocket book of “Hospital Care for Mothers: Guidelines for Management of Common Maternal ConditionsZ” 2017
- Nominated for the regional meeting to strengthen capacity in new WHO family planning guidelines: Towards universal reproductive health coverage in the SDGs era, 17-19 April 2017, WHO-SEARO, New Delhi
- Member “Guideline Development Group for “Responding to children and adolescents who have been sexually abused WHO clinical Guidelines” (Geneva Dec 2016)
- Nominated for the Regional meeting to review progress in perinatal surveillance and prevention of birth defects in SEARO countries 18 to 20 July, 2017, Bali, Indonesia
- International Workshop on Antenatal care and Post-natal care – a renewed focus on availability and quality by WHO & Liverpool School of Tropical Medicine Liverpool (Liverpool Dec 2016)
- Regional Meeting to review Progress on newborn birth defect database (Jakarta Indonesia 2016)
- Maternal Death Surveillance and Response Technical guidelines Maldives 2016
- Prevention and Surveillance of birth defects report-a meeting of regional program managers 14-16 April 2015 New Delhi
- To review the evidence and envision transforming access to safe abortion services in India, Nov. 2014
- Training Manual for facilitators and for Health Care Providers (developed with Liverpool School of Tropical Medicine aiming at empowering providers for improved MNH care for institutional deliveries) (2014)
- Regional program Manager Meeting on adolescent Health Delhi Nov 2014
- Resource person for “Inter country Orientation workshop on clinical Practice Handbook on Safe Abortion” Aug 2014 Delhi
- Role of the health sector in responding to violence against women on 19-20th march 2014 New Delhi
- Invited by Embassy of Sweden Sexual & Reproductive Health Rights, good practices and results achieved on 3rd Dec 2013 at Delhi
- Preconception Care Regional expert group consultation 6-8th Aug 2013 Delhi
- Regional meeting on preventing unsafe abortion to reduce maternal mortality (2012 Kathmandu Nepal)
- Meeting of Regional Programme manager on Scaling up of Adolescent Health Programme Bangkok Thailand 11-14th October 2011
- Coordinator WHO Fellowship in Safdarjung Hospital on adolescent friendly services.
- Founder member for SHAHN: Safdarjung Hospital Adolescent Health Care Network adolescent friendly health services under the aegis of WHO.

Research Projects with National and international Organizations

- Maternal Morbidity in India with Liverpool School of Tropical Medicine U K (2014)

- PPIUCD (2016) Single Blinded, randomized, comparative study on the safety and acceptability of PPIUCD insertion using Kelly's forceps and a dedicated PPIUCD inserter (RCT) in collaboration with Population Societies International (PSI)
- Development and clinical evaluation of PCR based method for detection of trichomonas vaginalis and further standardization of triplex PCR for simultaneous detection of Trichomonas vaginalis, Chlamydia trachomatis and Neisseria gonorrhoeae (ICMR 2013-16)
- A comparative study of the simplified partograph (GOI adaptation 2010) and ICMR partograph October, 2014 – 2015

Technical Expert for Government of India

I have worked closely with government organizations as Ministry of Health & Family Welfare, Govt. of India (MOHFW, GOI). Has been appointed as a technical expert and resource person in Obstetrics and Gynaecology for addressing and identifying strategic agenda priorities, vision and frameworks in the National & State Governments health policies.

- Member of Technical Resource Group (TRG) of MOHFW, GOI and National Trainer MOHFW, GOI on Adolescent Health, Comprehensive abortion care(CAC), PPIUCD , Skill Labs Trainings for improving MNH care for institutional deliveries.
- Invited as an Expert in the meetings of Govt. of Delhi on Setting up “Comprehensive Standard operating Procedure(SOP) for One Stop Centre (OSC) in Delhi prepared by Delhi State Legal Service Authority (DSLISA)
- Member in formulating amendments of Medical Examination Rules for recruitment in Govt. services.
- Nominated as representative of DGHS to Bureau of Standards (BIS) India for reaffirmation of Indian Standards in Obstetric and Gynecological Instruments and Appliances Sectional Committee
- Chairperson District Appropriate Authority, New Delhi for Preconception and prenatal Diagnostic Technique (PCPNDT) Act
- Member Expert Group on framing Operational Guidelines on maternal Health Technical Interventions in the National programs, family planning programme and Adolescent Health Programme in India The guidelines effectively address major health issues, formulate Standard Operative Procedures & recommendations for health facilities /professionals. Contributed in around twenty five guidelines for GOI (164.100.154.238/nrhm-components/rmnch-a/maternal-health/guidelines.html) (List as annexure)

Contributed for the Guidelines MOHFW:

- a. Reference Manual for IUCD services. (2018)
- b. Technical and operational Guidelines: Gestational Diabetes mellitus 2018
- c. Guidelines on Midwifery services in India 2018
- d. Guidelines for maternal Death Surveillance and response 2017
- e. Operational Guidelines for Obstetric ICUs and HDUs Dec 2017
- f. Guidelines for Standardization of Labour Room at delivery points (2016)
- g. Daksh Skills Lab for RMNCH+A Services-Training Module for Facilitators 2016
- h. Daksh Skills Lab for RMNCH+A Services-Training Module for Participants 2016
- i. Guidelines for Obstetric HDU & ICU (2016)
- j. Handbook on Medical Methods of abortion (2016)
- k. Routine Ultrasound in pregnancy (2016)
- l. Manual on Injectable Contraceptive MPA (2016)
- m. Manual on Oral Contraceptive pills (2016)
- n. Post abortion Family Planning Technical Update (2016)
- o. MEC Wheel (2015)
- p. Expanding Family Planning Choices (2015)

- q. Guidance note on using uterotonics during labour (2015)
- r. Training of Surgeons on Cesarean section and managing obstetric complications (2014)
- s. Screening for Syphilis and in Pregnancy-Operational and technical guidelines. (2014)
- t. Maternal Near Miss-Operational Guidelines (2014)
- u. Core Group expert for providers manual on Comprehensive Abortion Care April 2014
- v. Core Group expert for Trainers' manual on Comprehensive Abortion Care April 2014
- w. Adolescent Health Rashtriya Kishore Swasthaya Karyakram (RKSK) Facilitator guide (2008 revised 2014)
- x. Adolescent Health Rashtriya Kishore Swasthaya Karyakram (RKSK) Resource Book (2008 revised 2014)
- y. Standards and quality Assurance in Sterilization Services (2014)
- z. Reference Manual for female Sterilization (2014)

Public Health and Outreach Activities

- Face of the important initiative for pregnant mothers Pradhanmantri Surakshit Matrutva Abhiyan (PMSMA) conducted Antenatal check ups on dedicated days of every month .
- Conducted several adolescent health orientation programs in schools of New Delhi for both boys and girls since 2003
- As part of dissemination of knowledge for general public on important issues, regularly takes part in television and radio programs on maternal health on Delhi Doordarshan, DD News, Lok Sabha TV, Kisan TV, Tata Sky
- Conducted 'Youth Melas' to orient the young people on key issues of maternal and reproductive health.
- Organized and participated in several health camps for women including screening for cervical cancer in rural and semi urban areas.
- Public Lecture on Kidneys and Women Health on World Kidney Day 8th March 2018
- Organized walk for save the Girl Child and walk for Thalassemia awareness . awareness

Positions and activities in Professional Bodies

Well known and greatly respected amongst peer group and is sought after for organizational, oratory and leadership skills. Associated with all the major scientific Societies of Obs. and Gynae. in India in top official capacities. Was highly appreciated during tenure of Vice President of FOGSI in 2018 when novel initiatives such as skill training of budding gynecologists in the fields of surgical techniques, critical care, fetal medicine and ultrasonography were undertaken throughout the country. The youngsters were given a progressive platform for presenting their research papers.

- Vice President of Federation of Obstetrics & Gynecology Society of India (FOGSI) 2018
- President, Association of Obst & Gynae Delhi (AOGD Branch FOGSI) 2015-2016 The society won prize of best category A society in India for 2015-16
- Executive member Adolescent Health Committee FOGSI since 2003 -2017
- Hon. Secretary National Association for Reproductive and Child Health India (NARCHI) Delhi branch for the year 2006-2008
- Member advisory Committee (Public Relation Officer) of Association of Obst. & Gynae, Delhi AOGD in year 2009-2010
- Member advisory Committee of Association of Obst.&Gynae , Delhi AOGD in year 2001-2002

- Treasurer Indian Society of Perinatology and Reproductive Biology (ISOPARB) North Zone for the year 1996-1998.
- Project coordinator, Adolescent Health Project (AHP) which was launched under the aegis of FOGSI & AOGD 2003
- Organized North Zone Yuva FOGSI in 2018 on Surgical Skills in Obstetrics & Gynecology attended by >700 delegates
- Organized International Critical Care Conference in Feb 2016. More than 500 delegates
- Conducted CMEs on Critical Care in Obstetrics, Hypertension in pregnancy, Preterm labor, Urinary Tract Infection and Adolescent Health all over the country
- Moderated Algorithms in TOG conclaves of FOGSI Hypertensive Disorder of Pregnancy, Heartburn in Pregnancy, Management of Labour, Premature Ovarian Insufficiency in 2017 & 2018
- Core Group member for developing GCPR on anemia in pregnancy, Preconceptional Counselling and Abnormal uterine bleeding for FOGSI 2016
- Faculty North India for FOGSI Gestosis Programme in Jaipur, Jalandhar, Delhi, Srinagar etc One of the founder member for Association Gestosis India
- Organized youth Mela in Delhi & Faridabad in the year 2014 which focused on College and school students and their health issues.
- Established Ten FOGSI approved Adolescent Friendly Health canters in private sector in Delhi 2010

Publications

Has been a very keen researcher especially in the field of high risk pregnancy and reproductive & adolescent health and gynecologic endocrinology which have been published in reputed International and National journals (55+10) with fair number of citations. Has also authored several chapters for Gynae and Obs text books (23) and edited and coauthored 3 books. (Annexure 1)
